Guia A4 — barquinho de papel

Use a folha A4 inteira. O barquinho brinca no mapa seco, sem bacia ou água.

1. Dobre a folha ao meio

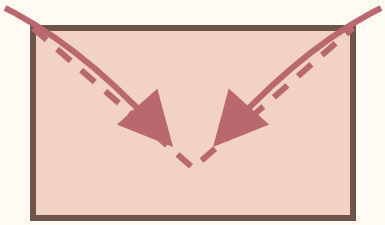

2. Marque o centro

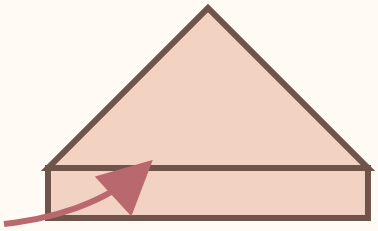

Vincar e abrir só esta marca.

3. Cantos ao centro

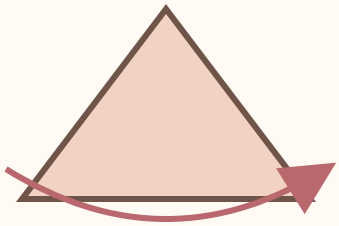

4. Suba as abas

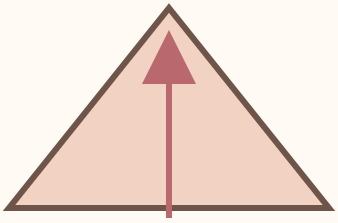

Repita do outro lado.

5. Abra o chapéu

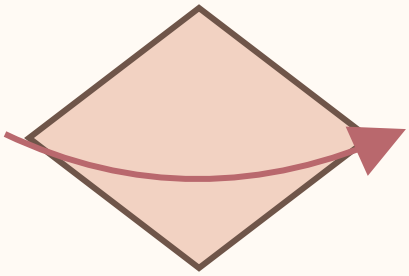

Achate formando um losango.

6. Pontas para cima

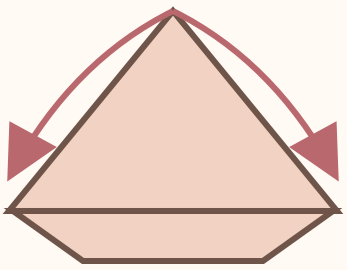

Repita do outro lado.

7. Abra e achate

8. Puxe as pontas

Abra devagar. Se ficar diferente, transforme a peça em canoa ou barraca.
