Guia A4 — casinha de papel

Imprima em tamanho real. O adulto recorta; a criança participa das dobras.

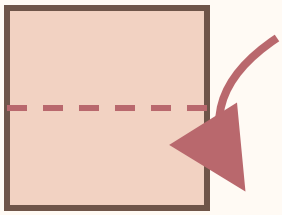

1. Adulto: recorte o quadrado

Recorte pelas linhas externas.

Guarde as aparas.

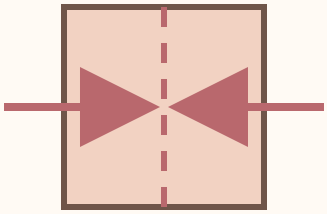

2. Marque o meio na horizontal e abra

Una as bordas horizontais,

vinque e abra.

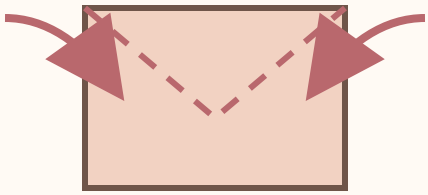

3. Marque o centro e dobre as laterais

Vinque o meio e abra.

Leve as laterais ao centro.

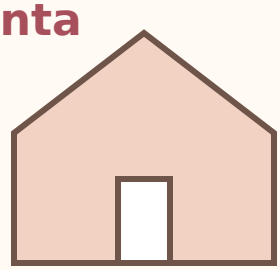

4. Abra e achate as abas de cima

Abra cada aba superior

e achate o telhado.

5. A casinha está pronta

Vire e escolha a frente.

Coloque no mapa sem colar.
